

Meta Parallel 140

davidpompa

Meta Parallel suspends its elements in a horizontal plane. The metal element becomes a new visual object that reinforces balance and tension. Enclosed volcanic stones placed at a defined distance are much more than the sum of their parts. The canopy starts a conversation between function and aesthetics, creating a unique integrated piece. A sculpture with its own language.

PV140

PV140-bl

PV140-br

Code SKU	PV140 PV140-bl PV140-br
Handcrafted in	Mexico
Size	see next page
Weight	Black 5kg Grey white 5kg Brass 7,2kg
Packaging	86 x 20 x 13 cm Black 5,3kg Grey white 5,3kg Brass 7,9kg
Lead time	10 - 12 weeks
Light source	Incl. 2x 7W LED COB total 1200lm 2700K 90CRI warm white TRIAC dimmable
Voltage	110V / 240V
Cable	Black - 400cm PVC black extensions on request Brass - 400cm PVC black extensions on request Grey white - 400cm PVC white extensions on request
Material	Black - volcanic rock powder coated aluminium black Grey white - fiorito stone, powder coated aluminium light grey Brass - fiorito stone Hand polished brass
Special finishes	on request / MOQ 10pc
Assembly	required
IP rating	IP20 / indoor use only
Certification	NOM CEE

Download installation & care instructions on our website.
Replacement parts are available through davidpompa directly.
Lead times are subject to change.
Variations in colour, texture, shape & size are natural characteristics of handmade products and should be expected.

Measurements Meta Parallel PV140

Please be aware that Meta Parallel aluminum and brass have different measurements when using our 3D models.

Black / Grey white

Brass

Black finish

Black matt powder coated and volcanic rock

A relationship between textures plays with a surprising material combination of volcanic rock and coated aluminum. An unexpected balance combines the porosity of the stones and the industrial process.

Grey white finish

Soft white matt powder coated and fiorito stone

Brass polished finish

Hand polished brass honey colored fiorito stone

The hand polished solid brass will naturally oxidate and reflect the language of time. All surfaces are unsealed, exposure to air and being handled with bare hands will tarnish the pieces upon time.

Canopy Options

Drywall ceiling canopy

The LED driver will be inside the drywall ceiling.
 Black/White powder coated
 11 x 5,5 x 3,5cm

Meta Parallel Black

Meta Parallel White

Concrete ceiling canopy

The LED driver will be inside the canopy.
 Black/White powder coated
 Ø15 x 4cm
