

DATASHEET

Type: **OVERLAY**
Name: Wall light
ID: PC1407
Designed by: Lucie Koldová

Download

Description

Modern yet timeless. Extravagant in its style and use of clean geometric forms. Inspired by architecture. The Overlay collection arose from a synthesis of various materials on mood boards during a creative process that involved seeking ideas and associations between art and design, overlaying different textures, and playing with volumes. The blown transparent glass tubes instil the Overlay collection with a distinctive character, as does the unique concrete fixture embedded with shards of upcycled glass from Janštejn Glassworks.

Tech. description

The light comprises a glass tube and a concrete fixture with an LED module. The light is attached to the wall by means of a metal bracket. The concrete elements contain a high proportion of glass shards from Janštejn Glassworks.

CONSTRUCTION SPECIFICATION

Weight: 3.8 kg
Construction material: glass, metal, concrete
Cord length [mm]: 2,000 mm
Mounting: Wall
Environment: Indoor

DIMENSIONS [mm]

ELECTRICAL SPECIFICATION

Input voltage [V]: 120-277 VAC
Frequency [Hz]: 50-60 Hz
Max. power [W]: 9.5 W
Coverage IP: 20
Socket: -
Light source: LED module
Energy class: E
