

TALIA TABLE

DESCRIPTION

Talia's refined and compact design embraces only the essential elements to fulfill its purpose. Smart and powerful, Talia is designed for maximum light control, pairing fully dimmable and glare-free flat panel technology with 360° post rotation and 180° shade rotation to satisfy both task and ambient lighting needs alike. Talia Table also features wireless induction charging to accommodate mobile devices + USB port for added convenience. Available in both Table and Floor standing models, Talia is offered in 6 elegant colorway and metallic accent combinations to provide a refined touch to any setting and decor.
