

TOTEM DOWN LIGHT

DESCRIPTION

Totem is a versatile pendant lighting collection comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, pure white geometric forms provide a charming interplay of unique combinations to provide warmth and elegance to any space. Downlight pendants utilize one of the 4 shade styles (A,B,C,D) and provide direct illumination resulting in a warm and dimmable ambient glow projecting through its softly diffused glass structure. Totem singles can be used in flush mount down-light only scenarios as well.

FIXTURE TYPE

Pendant

LIGHT SOURCE

High output LED array

LIGHT CONTROL

Fully dimmable

Compatible with TRIAC/ELV

(0-10V dimming available upon request)

Dali compatibility upon request
