

TOTEM UP/DOWN LIGHT

DESCRIPTION

Totem is a versatile pendant lighting collection comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, pure white geometric forms provide a charming interplay of unique combinations to provide warmth and elegance to any space. Users can select from 4 shade styles (A,B,C,D) to mix and match to create an ensemble of 20 unique pendant combinations. Totem provides both direct and indirect illumination by employing a two-part LED light engine that provides both uplight and downlight resulting in a warm and dimmable ambient glow projecting through its softly diffused glass structure. Totem singles can be used in flush mount downlight only scenarios as well.

FIXTURE TYPE

Pendant

LIGHT SOURCE

High output LED array

LIGHT CONTROL

Fully dimmable

Compatible with TRIAC/ELV

(0-10V dimming available upon request)
